Works in Progress

Below are some of the projects that I am currently working on (with pseudonymized titles), which are under review. Feel free to reach out if you'd like to know more about these or other early-stage working papers.

1. Data Scientists' Role in Organizational Decision-Making (with N Su & M Zbaracki), *revising after 5th R&R (provisional accept) at **Organization Science***
2. When and How do Domain Experts Accept AI (with A Sarta, H Lee), *revising after 1st R&R at **MIS Quarterly***
3. An agent-based model of AI and decision making (with S Chakraborty, M Zbaracki), *revising after 1st R&R at **MIS Quarterly***
4. A Risk Work Framework for Regulating Artificial Intelligence-Enabled Fintech Innovations (with A Lagna, A Pahuja, E Rizopoulos, & M Zachariadis), *resubmitted after 1st R&R at **Journal of the Association for Information Systems***
5. When Artificial Intelligence Meets Organizational Intelligence (with M Zbaracki), *under 1st round review at **Organization Studies***

AWARDS AND HONORS

- ▶ Best paper proceedings @ AOM (2025)
- ▶ Outstanding Associate Editor Award by CTO Division of AOM (2023)
- ▶ Best Associate Editor Award by European Conf of IS (2023)
- ▶ Teaching Excellence Award from the Dean, AMBS, U of Manchester (2022-2023)

ACADEMIC SERVICE

Conference/ Seminar Organizing and Invited Talks

Seminar Organizing

- ▶ Organizing FinTech Seminar Series at Alliance Manchester Business School *since 2021*
- ▶ Helping coordinate the Digital Transformation Seminar Series at Alliance Manchester Business School *since 2021*

Professional Development Workshops and Symposia Organizing / Participation

- ▶ Served as a panelist/presenter at a Symposium on AI in Action: Studying Algorithms in Real World Contexts at AOM (2025)
- ▶ Served as a panelist/mentor at a PDW on Expanding and Extending the Community for Computational Theory Construction at AOM (2025)
- ▶ Moderated a Symposium on Expertise in and around Organizations at AOM (2024)
- ▶ Co-organized a PDW on Rationality in the Era of Artificial Intelligence at AOM (2023)
- ▶ Panelist at a Symposium on *Algorithmic Bias and Data Injustice: Dark Side or Dark Matter* at AOM, Boston (2023)
- ▶ Co-organized a Symposium on *Data Workers in Organizations: What do they do, how they do and why they do it!* at AOM (2022) [↗](#)
 - Recognized as a *Showcase Symposium* by OMT Division
- ▶ Panelist on *How can AI interact with humans during decision-making in organizations?* at Copenhagen Business School (2021)
- ▶ Panelist on *How can your organization become the new Google? Or at least, improve the value creation from data!* at Digital Tech Summit, Copenhagen (2021)

Minitrack Chair

- ▶ Minitrack on AI at Work at AMCIS (2025)
- ▶ Minitrack on *Service Innovation in Data Ecosystem* at AMCIS (2022)
- ▶ Minitrack on *Digital Transformation through Data Analytics, Artificial Intelligence and Other Epistemic Technologies* at AMCIS (2020)

Invited Talks

- ▶ Queen's University, February 2025
- ▶ Concordia University, January 2024

Keynote Talks

- ▶ *Demystifying AI: Understanding its impact on society*, AI and Digital Literacy Symposium, the LIFE Research Institute and the Centre for Law, Technology and Society, University of Ottawa, February 2026
